

## Taking Public Transportation to the Board of Regents Office:

**FrontRunner:** Take the train to the Salt Lake Central Station. Take either the University or Sandy TRAX line and get off on the second stop, Planetarium. Walk north on 400 West about half a block until you reach the Board of Regents building at 60 South 400 West. It is just past the entrance to Winter Parking. If you are going directly to the SkyBox Grille from TRAX, instead of walking along 400 West toward the Board of Regents office, head west on 100 South toward the middle of the mall. SkyBox is on the Promenade Level on the northwest side of The Gateway (see map below).
